**COME ON IN THE WATER'S FINE**

JIMMY is 13 stories above SoHo. [View on the web](#)

**Summer fun.** There's still time to enjoy the last hurrahs of summer. May we suggest one of these swanky pool parties?

**The Beach at Dream Downtown**

**355 W. 18th St., 212-229-7559**  
Mondays, 3-9 p.m.  
Your Monday doesn't have to suck: Extend the weekend one more day at this hotel rooftop pool party, which features DJed tunes and specialty popcicles.

**Sunday Day Parties at Gansevoort Park**

**420 Park Avenue South, 212-317-2900**  
Sundays, 6-10 p.m.  
While the crowds take to the Gansevoort Marketplace, you can enjoy a bit more tranquility at the hotel's Park Avenue outpost. Attendees can access the entire 10-level rooftop complex, sip spiked shales and make a splash in the rooftop pool (which is normally closed to non-hotel guests) at the weekly parties.

**Thompson Hotel #LESpoil Parties**

**190 Allen St., no phone number**  
Thursdays, 2-9 p.m.  
Not so much a pool party as a "setting where like-minded creative, fashion and industry leaders can cool off," guests at this private affair need a password to enter. Once past the velvet rope, attendees can enjoy guest DJs, an art exhibit and food from Williamsburg Pizza. Models with their comp card can get in without the password, but if that's not you, good luck!

**Grace Hotel DIP Aqua Bar pool parties**

**125 W. 45th St., 212-254-2323**  
Saturdays, 10 p.m.-3 a.m.  
The pool might be indoors, but that doesn't make the scene any less hot. The Grace boasts the only swim-up bar in the city — just remember to take your iPhone out of your trunk. OK? If you forget your suit, you can buy one at the front desk.

**Le Bain at The Standard Hotel**

**848 Washington St., 212-645-4646**  
Every weekend night, year round  
At this High Line hot spot, you can relax in the pool, on pink waterbeds or on lawn chairs that sit on the grass. Hit the creperie (!) for a post-swim snack.

**JIMMY at the James NY**

**15 Thompson St., 212-201-9118**  
Saturdays and Sundays, 3-9 p.m.  
The weekend parties at the SoHo hotel boast DJs, cocktails and food by David Burke — who we're hoping you just read about on the previous page.
