A day after hosting “SNL,” [Idris Elba](#) DJ’d at Jimmy at the James.

“He was jumping around while Slick Rick was performing,” a spy told Page Six. DJ D-Nice also performed.

We also hear that the “sexiest man alive” was asked to nominate a successor for the annual honor, and he suggested himself!

“Let it be the first time in history that [it’s] the same man two years in a row,” he [told People magazine](#).

He’s also playing Coachella in April. “I made it at 46!” he said of the gig.
