## Home on the Range Where to Be When the Rangers Win the Cup

Today, the Rangers start the final pursuit of Lord Stanley's most precious cup for the first time since the days of Messier and Richter. So let's find you a rooftop or somewhere outdoors to watch this happen, shall we?

### FOR GOING UP Jimmy at The James

**You require:** The un-sports-bar, 18 floors up.

**You'll receive:** Reposado cocktails and a large flat-screen imported just for the game on a SoHo rooftop. Also: a pool to host your postgame analysis. Which is sure to be astute.

**411:** Jimmy at The James, 15 Thompson St (between Canal and Grand), 212-201-9118
