July 4th in New York City is amazing! The weather is almost always wonderful and our July 4th celebrations, including the Macy's 4th of July Fireworks®, which this year, will make its **return to the East River** and light up the night from one of New York's most famous landmarks – the Brooklyn Bridge! Make sure to check sightseeing and holiday hours for Friday July 4, 2014. Add your event to the [July 4th in NYC Events Activities](#) calendar.

ROOFTOPS, HOTELS, RESTAURANTS WITH VIEWS OF 4TH OF JULY NYC 2014 FIREWORKS

So where will you watch the July 4th fireworks this year? A rooftop, lounge, hotel, restaurant?

Please Note: This section is a work in progress, as I am personally contacting businesses around the city to find out who is hosting special July 4th events.

- **JIMMY** at The James New York – SoHo
Perched atop this SoHo hotel's 18th story, JIMMY's 1970s theme pulses with an indoor conversation area outfitted with a leather-trimmed bar top, modular furniture, plush seating, and views of the Brooklyn Bridge and the Manhattan skyline. Please check with the hotel directly to see if a hotel reservation will guarantee access to the rooftop. They often have private or exclusive events that keep even hotel guests from enjoying their rooftop.
