Still not sure what to do for the Fourth? Here are 8 hotels who want to BBQ and drink beer with you before cuddling up to watch the fireworks. Boom, boom, pow and room service!

THE JAMES NEW YORK: JIMMY, the rooftop bar at the hotel, will have killer views of the fireworks on the East River, along with special July 4th cocktails, live DJ, and gourmet twists on BBQ food like Kobe Franks in a blanket, mini grilled cheese with cheddar and apple and the signature JIMMY burger. Room rates this weekend start at \$313 a night.
