JIMMY AT THE JAMES HOTEL: The summer pool parties atop the James Hotel at The Jimmy in Soho are a pretty nice (and free) way to cool off this summer in a trendy atmosphere. During the week the pool is only open to guests, but on Saturday and Sundays during the summer it's open to the public starting at 3 p.m. (DJs begin spinning at 4 p.m.) The pool is notably small but it boasts a spectacular view of the Freedom Tower and the Empire State Building. Do note that while entry is free, drinks, food and reserved lounges are not, so be prepared to drop some cash when hit this pool up. Fancy swim attire is encouraged.

Jimmy at the James Hotel is located at 15 Thompson Street between Grand Street and 6th Avenue in Soho. (212-465-2000, <http://www.jameshotels.com/new-york/explore-hotel/amenities-services/rooftop-pool>)
