7 NYC Happy Hours That Have Waterviews and Don't Suck

2. [Jimmy at The James](#)

A different kind of waterview, Jimmy has one of the loveliest and cleanest rooftop pools. They keep this place fun, not too crowded, and with a solid cocktail menu. Don't drink? No problem. Head up here during the week for a morning rooftop yoga session, and grab some coffee downstairs after. Believe it or not, there's something enjoyable special about the smell of chlorine in the morning.
